Dear Friends and Neighbors,

We wanted to send this note to say hello and introduce ourselves as your newest 25th District state representatives. After meeting so many of you out in the community, we could not be more excited to have the opportunity to serve you in the state Legislature.

We are committed to bringing your priorities to the forefront in Olympia, and to doing everything we can to ensure the 25th remains a great place to live, work, and raise a family.

That means:

- fighting for lower taxes so you have more money in your pocket,
- working to reduce the burdens on small business owners that make it more difficult for them to create jobs,
- addressing the root causes of homelessness and increasing the supply of affordable housing, and
- supporting policies that reduce congestion so you spend less time on the road.

One key to accomplishing all of this is holding state agencies and the governor accountable. Please know we are here to serve you year-round. If we can help in any way, don't hesitate to reach out to us.

It is an honor to serve you.

Sincerely,

Kelly Chris
